# Ventura West Marina

Experience the vibrant community of our two Ventura Marinas nestled in beautiful Ventura Harbor located just 30 miles south of Santa Barbara and 65 miles north of Los Angeles.

Surrounded by miles of **pristine beach front** on one side and the backdrop of the San Ynez mountains on the other, **the setting for our boaters couldn't be more idyllic.**

Our full service facilities offer a total of **554 slips** and include **modern shower rooms**, a spacious laundry room, a workout room, and the **friendliest staff around** whose primary goal is to make your boating experience a positive one.

Located on the east end of the harbor next to our main office facilities are **392 single concrete slips** while the west side offers **162 single wooden dock slips just 500 feet from the ocean!**

Once here, you'll **appreciate** the incredible location that includes easy access to Surfer's Knoll and Harbor Cove Beach. Also, **within walking distance is Harbor Village**, which offers a variety of popular restaurants and quaint shops. Many folks spend their entire weekend without ever using their car.

A voyage of less than 20 miles lands you at the **Channel Islands** - five islands of protected National Park await your adventurous spirit. Further south is Catalina Island, another popular destination commonly visited by our boaters. We also have **reciprocal privileges with Harbor Island West Marina in San Diego.**

Ventura West Marina – your gateway to the Channel Islands!
